Appendix 2. UWM Respectful Campus Standards

1. General

The University of Wisconsin-Milwaukee (UWM) promotes a working, learning, and social environment where all members of the UWM community, including but not limited to administrators, faculty, staff, students, and volunteers work together in a mutually respectful, psychologically-healthy environment. UWM strives to foster an environment that reflects courtesy, civility, and respectful communication because such an environment promotes learning, research, and productivity through relationships.

Because a respectful campus environment is a necessary condition for success in aspects of the University's mission and values, the University is committed to providing a respectful campus, free of bullying in all of its forms. Bullying is unacceptable in all working, learning, and service interactions. This Policy describes the values, cornerstones, and behaviors that delineate a respectful campus and applies to all members of the UWM community, including, but not limited to students, faculty, and staff.

2. Values

A respectful campus exhibits and promotes the following values:

- Displaying personal integrity and professionalism;
- Practicing fairness and understanding;
- Exhibiting respect for individual rights and differences;
- Demonstrating harmony in the working and educational environment;
- Respecting diversity and difference;
- Being accountable for one's actions;
- Emphasizing communication and collaborative resolution of problems and conflicts;
- Developing and maintaining confidentiality and trust;
- Achieving accountability at all levels.

3. Cornerstones of a Respectful Campus

The commitment to a respectful campus calls for promotion of an environment where the following are upheld:

- All individuals have important contributions to make toward the overall success of the university's mission.
- UWM's mission is best carried out in an atmosphere where individuals at all levels and in all units value each other and treat each other with respect.

- Individuals in positions of authority serve as role models in the promotion of a respectful campus. Promoting courtesy, civility, and respectful communication is consistent with the responsibility of leadership.
- Individuals at all levels are allowed to discuss issues of concern in an open and honest manner, without fear of reprisal or retaliation from individuals above or below them in the university's hierarchy. At the same time, the right to address issues of concern does not grant individuals license to make untrue allegations, unduly inflammatory statements or unduly personal attacks, or to harass others, to violate confidentiality requirements, or engage in other conduct that violates the law or University policy.

4. Definition of Bullying

Bullying is unwanted offensive and malicious behavior which undermines an individual or group through persistently negative verbal or psychological abuse. There is typically an element of vindictiveness and the behavior is calculated to threaten, undermine, patronize, humiliate, intimidate, or demean the recipient.

Bullying is not about occasional differences of opinion, conflicts and problems in workplace relationships as these may be part of working life. Bullying can adversely affect dignity, health, and productivity and may be grounds for corrective disciplinary action, up to and including dismissal. Examples of behaviors that meet the definition of bullying above include, but are not limited to:

4.1 Cyberbullying

Cyberbullying is defined as the use of electronic devices to convey a message in any format (i.e. text, image, audio, video) that defames, intimidates, harasses, frightens, stalks or is otherwise intended to harm, offend or humiliate another individual or group of individuals in a deliberate, repeated, hostile or unwanted manner under the perpetrator's true or a false identity.

4.2. Physical Bullying

Physical bullying is pushing, shoving, kicking, poking, and/or tripping; assault or threat of physical assault; damage to a person's work area or property; damage to or destruction of a person's work product or personal property.

4.3. Verbal Bullying

Verbal bullying is repeated slandering, ridiculing, or maligning of a person or persons, addressing abusive and offensive remarks to a person or persons in a sustained or repeated

manner; or shouting at others in public and/or in private where such conduct is so severe or pervasive as to cause or create a hostile or offensive educational or working environment or unreasonably interfere with the person's work or school performance or participation.

4.3. Nonverbal Bullying

Nonverbal bullying can consist of directing threatening gestures toward a person or persons or invading personal space after being asked to move or step away.

4.4. Anonymous Bullying

Anonymous bullying can consist of withholding or disguising identity while treating a person in a malicious manner, sending insulting or threatening anonymous messages, placing objectionable objects among a person's belongings, leaving degrading written or pictorial material about a person where others can see.

4.5. Threatening Behavior Toward a Person's Job or Well-Being

Making threats, either explicit or implicit to the security of a person's job, position, or personal well-being can be bullying. It is not bullying behavior for a supervisor to note an employee's poor job performance and potential consequences within the framework of University policies and procedures, or for a professor or academic program director to advise a student of unsatisfactory academic work and the potential for course failure or dismissal from the program if uncorrected.

5. Reporting Bullying Actions

A student who believes he or she has been the subject of bullying, or an individual who believes a student has engaged in bullying behavior should report the behavior to his or her advisor or a faculty member, the Chair of the Department, the Dean of the School or College or to the Office of the Provost. Students may also report acts of bullying to the Office of the Dean of Students, or to an Ombuds. The individual should select the reporting method he or she is most comfortable with and that is most appropriate to the situation.
